

Yes, I Am Interested in Joining A Small Hands-On Quilting Group

The Guild is starting some new , small , quilting groups we call satellite groups. This is open to all members – not only new members. Based on what you tell us, we will group approximately 8 people, hopefully in geographic proximity - i.e. Qualicum, Nanoose etc. If enough of you tell us you want a group specializing in a specific quilting technique, we will try to arrange that too- but it's hard to get 8 people who all want the same thing! Members will meet in each other's homes on a rotating basis as often or as little as you decide.

We will contact you before the end of September to let you know where and when the first meeting will be. The first meeting will be before the October guild meeting. The new group will meet and make their own plans. The guild is just a facilitator to get together small quilting groups for the first time. We all learn more by sharing.

Fill out the form below and return to noulton@shaw.ca by Sept.21 or contact us at the September guild meeting or call Nancy at 250 468 1406.
