

Block of the Month- E Q Escapades Second Border- Part Two

The blocks in this part of the border are constructed using templates. The block is a fan.

Firstly, make the 2 templates that you will be using.

Cutting instructions:

Light fabric- Cut 4 pieces using the curved template.

Dark fabric- Cut 4 pieces using the fan template.

Medium Fabric- Cut 8 pieces using the fan template.

Light medium- Cut 8 pieces using the fan template.

The fan is made by piecing it as indicated in this photo. Press the seams as indicated in the picture .

Make 4 fans.

Pin the curved piece to the fan as shown in the photo easing in the fullness. Stitch the seam easing the fullness as you go.

Press the seam away from the fan.

Take the squares constructed from the last set of instructions and join them in pairs. Attach a pair of these blocks on either side of your quilt square. Attach a fan on either end of the remaining 2 pairs of blocks. Sew these onto the top and bottom of your quilt square.

Refer to the picture of the completed quilt to make sure that you have set the fans the correct way.
