

Give it a Whirl Mystery Quilt January 2021 Supply List

This is essentially a 2-fabric quilt, with one as a background fabric, preferably light and reads-as-plain, and the other a contrasting but coordinating fabric in medium or dark. A strong contrast between the fabrics will show the pattern best. Each of these fabrics could be multiple but similar fabrics, for example from a layer cake or a variety of similar fabrics.

This quilt will finish at about 45" x 55". Feel free to add a border or borders if you like. You would need extra fabric for any borders.

1 1/2 M or 20 x 10" squares of contrast fabric (medium or dark)

6 1/2" square ruler would be helpful but not necessary
