

Block of the Month- E Q Escapades Final Border- Part One

The blocks in this final border are constructed using templates. This first part is the ribbon border.

Firstly, make the templates that you will be using. You can make 4 templates and cut the number of pieces you will need according to Cutting instructions. The other option is to make 2 templates[A and C] and flip them to get the opposing pieces.

Cutting instructions:

Medium Fabric- Cut 16 pieces using Template D

Light Medium Fabric- Cut 16 pieces using Template C

Dark Fabric- Cut 32 pieces using Template A

Cut 32 pieces using Template B

Using the photo as your guide construct 16 blocks .
